UNIVERSAL CHANGING ROOMS

At The Oshkosh Community YMCA, we are dedicated to serving ALL in our community. Our Universal Changing Rooms provide accessible and inclusive space for every member and guest. And while those two goals - accessibility and inclusiveness - are paramount, so is privacy and safety. With our Universal Changing Rooms, all these goals are realized in one space.

Our Universal Changing Rooms meet the needs of a variety of users, such as families with young children who require more assistance, or an individual who prefers gender anonymity. Simply, this area allows for flexibility so every user can change into, and out of, swim or workout apparel with the comfort and ease afforded in a private changing room or shower room. Then, they can choose a locker, secure their items, and enjoy every aspect of the YMCA.
